

Town of South Bethany
South Bethany Charter and Code Committee (SBCCC) Report
October 8th, 2021

The SBCCC has not met since the prior Council meeting, but work has been progressing on finalizing code change recommendations requested by Joe Hinks for allowing certain types of structures in lot rear setbacks. In addition, at the request of both the police Chief and Joe Hinks, a word search was made of the entire town code to identify places where penalties appear to be criminal rather than civil. This list was provided to the Town Manager and passed to the Town's solicitor for comment.

The SBCCC will continue to meet, every other month, on the third Friday of the month at 2:00pm EST. The remaining meeting dates in the current term are:

October 15th, December 17th, February 18th and April 15th

Additional meetings may be scheduled if the workload requires this.

The public is always welcome to attend these meetings and time will be set aside for public comment.
